Mari said to herself, "I can't leave the kitten here," so she took it home.

Mari washed the kitten with hot water and gave it some milk. Now the kitten looked happy and went to sleep. In the evening her mother came home and she was surprised to see the kitten. Mari asked her mother, "Can I keep this kitten?" Her mother said, "Well, Mari, we can't keep the kitten because we already have two dogs. We need to find someone to take care of the kitten. Hmmm. Oh, I have an idea. Mrs. Wada lost her old cat about a month ago. She feels lonely and wants a cat. I'll call and tell her about this kitten. How about that?" Mari said, "".
